## Call to Sharing

*We ask that you place contributions for the ministry of St. John's UCC in the basket on the table located in the back of the worship space. We are doing our best to reduce the number of commonly touched objects, including baskets and plates. Thank you!*

## Benediction

## Blessing Song

Amistad Praise Band

*Due to concerns regarding congregational singing, tonight's worship service features music performed by the praise band. We do invite you to get up and move, dance, and stay safely distanced from one another. Move when the Spirit says move!*

***No matter who you are or where you are on life's journey, you are welcome here.***

## St. John's Vision

We are called to love, to learn, to worship and to witness in Christ  
as a congregation that welcomes everyone,  
and seeks service that will advance God's realm on earth.

## SATURDAY NIGHT WORSHIP AT ST. JOHN'S

The St. John's UCC Saturday Night Worship Service is designed to provide a relaxed, informal, intimate atmosphere for worship and fellowship. As with many other aspects of life these days, our worship style and space have been modified to protect the most vulnerable among us. While some things have changed, other things remain the same. So...

### **Feel free to move.**

Walk around if you need to. Dance, even. It's OK.

We simply ask that you respect the personal space of others and keep social distance from those who are not in your household.

### **Eat and drink (part 1).**

Water fountains with disposable cups are located inside, close to the restrooms. We will not be able to partake of shared food items at this time. Food and beverages may be shared among members of the same family group.

### **Eat and drink (part 2).**

No matter who you are or where you've been, all are welcome to share in the sacrament of Holy Communion celebrated here.
