We extend a warm welcome to **alithia zamantakis**, Director of LGBTQ Program and Services at Shippensburg University. She is a PhD candidate in Sociology at Georgia State University. Her dissertation analyzes the sociopolitical and cultural conditions that give rise to anti-Black trans violence. alithia is dedicated to making trans lives livable. Please join us after the service for a Q&A session wherein alithia will touch on how we come to internalize fear of and contempt for queer/trans individuals, how transphobia/homophobia affects all of us including those who are not queer/trans, and how to shift from a place of fear and contempt to a place of empathy and compassion.
