*written by Thom Shuman*

Here, those who wander find a home,  
those who wonder discover words of hope.

**We gather because we have heard God's whispers of grace.**

Here, we discover promises are kept,  
that shattered hearts are made whole.

**We gather because we are invited by Jesus to come and receive a welcome.**

Here, those who are afraid to step into living waters  
are filled with the courage to jump in feet first.

**We gather because the Spirit pulls us to our feet, meeting us in words, at the  
table, in community.**

God of love and peace, whose healing Word is offered to every person and group  
and nation, we long to hear and see and feel your presence with us. Send your Holy  
Spirit to overcome our excuses, lend new perspective to our troubled thoughts,  
and equip us to walk into the future with courage. Reign among us that we may  
proclaim good news to all who need it. Amen.

#### **\*PRAYER FOR ILLUMINATION**

May we hear and heed your voice, O God, as we listen to the reading of your Word.

### **Worship Resources:**

*Call to Worship by Thom Shuman, posted on Lectionary Liturgies*

*Prayer of the Day and Prayer of Dedication from Gathered by Love: Worship Resources for Year C by Lavon Bayler (adapted)*

This land is your land, this land is my land  
From California to the New York island,  
From the redwood forest to the Gulf Stream waters;  
This land was made for you and me.

As I was walking that ribbon of highway  
I saw above me that endless skyway;  
I saw below me that golden valley;  
This land was made for you and me.

This land is your land, this land is my land  
From California to the New York island,  
From the redwood forest to the Gulf Stream waters;  
This land was made for you and me.

I've roamed and rambled and I followed my footsteps  
To the sparkling sands of her diamond deserts;  
And all around me a voice was sounding;  
This land was made for you and me.

This land is your land, this land is my land  
From California to the New York island,  
From the redwood forest to the Gulf Stream waters;  
This land was made for you and me.

Well, the sun came shining, and I was strolling,  
And the wheat fields waving and the dust clouds rolling,  
The fog was lifting, a voice was chanting:  
This land was made for you and me.

This land is your land, this land is my land  
From California to the New York island,  
From the redwood forest to the Gulf Stream waters;  
This land was made for you and me.
